

Ingredients for Prosperity Spells

We all know money can't buy love, health, or happiness—but prosperity sure beats poverty. Financial prosperity can provide the space, security, and opportunity for you to express your other gifts without having to spend most of your time just earning a living. These ingredients can lend more power to your prosperity spells.

Gemstones

- Agate: Helps stabilize your finances
- Aventurine: Attracts wealth and abundance
- Quartz abundance crystal: Aids financial growth
- Tiger's Eye: Increases good fortune and prosperity

Flowers

- Daffodil: Attracts good luck
- Marigold: Encourages financial gain
- Sunflower: Its sunny yellow petals suggest gold
- Tulip: The cuplike shape represents a vessel to hold money

Essential Oils & Incense

- Cedar: Protects and enhances your assets
- Cinnamon: Encourages financial gain and career success
- Clove: Stimulates financial growth
- Vervain: Helps your financial goals materialize

Herbs & Spices

- Cinnamon: Revs up the spell's power
- Dill: Attracts good fortune
- Spearmint: One of the most popular, all-purpose money herbs
- Parsley: Encourages prosperity and success
